

indi's EXPRESS Lunch

indi's express lunch is a quick, healthy and affordable way to maximise your lunch hour

Our 'healthy lunch' section offers a range of dishes that are packed with flavour but kind on the waist line, leaving you full but without that bloated feeling. We also introduce our brand new concept 'Indian Tapas' which invites you to sample multiples of smaller dishes, either individually or to share with friends.

This more sociable style of dining allows you to experience as many flavours as possible and continues our foresight to push the boundaries of contemporary Indian cuisine.
